Dear Pastor,

_____ has requested to volunteer at our church's Food Ministry. Our goal for this ministry is to spread the reign of Jesus Christ through love, practical help during times of need, and through the message of salvation in Him.

We want this ministry to be Christ-centered in every way. Therefore, we would like to receive your recommendation before approving them as a volunteer in this ministry.

Please answer the questions below, and return this form in the envelope provided. Attach additional sheets if necessary.

Do you have any reservations about this person serving in the CBC Food Ministry which will most likely involve personal contact with children and adults from a variety of backgrounds?

To the best of your knowledge, is this person born again and do they hold the conviction that salvation is by grace alone, through faith alone, in Jesus Christ alone?

Does this person have specific gifts that could benefit this ministry?

If you have any questions, please contact me at the phone number or email listed above.

Thank you for your time!
